

“I want to bring awareness for women in this industry and I also want to use my skills for non profits and social impacts.”

Daniela Fedyakin

Position : Junior Full-Stack Developer  
Industry : Multimedia/Entertainment  
Location : Berlin, Germany

Company

Programming is a single universal language and for someone who has moved country a lot, language is often the first problem you face. Coding offers you an opportunity to be understood and have practical skills no matter where you are. Now, I want to bring awareness for women in this industry and I also want to use my skills for non-profit work and social impact. I want to do something that matters and makes a difference.
