Mission

"The Digital Career Institute was born as an initiative to integrate refugees into digital jobs. Today it is committed to train anyone who wants to pursue a career in the Tech Industry."

Students

**Emil****Hussein**

"I didn't think it will be an easy way to start a career as a Web Developer, but here I am working as one now!"
I literally became a superstar after one year.
Working from home, Bali, Dubai..."

- Web Developer at Emil

Companies

**Ralf Bauer**

- Senior Vice President Germany CGI

Students from DCI are the most competent and efficient employees our company has ever employed. It shows how much hardwork the great teachers of this school have put into producing such fine professionals.
